

SENATOR BEUTLER: Okay, it's not in the actual bill though, right?

SENATOR WEHRBEIN: Not in this bill.

SENATOR BEUTLER: Right. Okay. I was...that's what's confusing me. Thank you.

SENATOR WEHRBEIN: Well, we, as a matter of interest for those, you'll see through the budget sometimes where we have allowed for, we'll try to refer to a specific LB number if it's being handled there. There is a case or two in there that it's in the budget but the LB has to come through with it whether it's...and it has a matter in statute that we don't have any choice to fund it, but a legislative bill may change that so we try to make notes on that. In this case, LB 889 is the one that rules.

SENATOR CROSBY: Thank you, Senator Beutler. Senator Robinson.

SENATOR ROBINSON: Madam President, members of the body, a question, Senator Wehrbein.

SENATOR CROSBY: Senator Wehrbein.

SENATOR ROBINSON: Are we talking...

SENATOR WEHRBEIN: Yes.

SENATOR ROBINSON: ...about 177? I have a question on 1...

SENATOR WEHRBEIN: Page 177?

SENATOR ROBINSON: Yeah.

SENATOR WEHRBEIN: Yes, okay.

SENATOR ROBINSON: On the Legislative Council, the Governor recommended a 694,000 dollar cut. Is that correct? Is that the way I read that?

SENATOR WEHRBEIN: Yes.

SENATOR ROBINSON: And committee recommends a 440,000. Why the discrepancy of that much money?
